

Safer Schools

In 2007, Clee Hill Community Primary School was accredited a 'Safer School'. This is a security/safety initiative and 15 years later, Mrs Little and her governors continue their enthusiastic involvement in the initiative. Recently, West Mercia Police and I attended an annual Safer School meeting to update the school's involvement. An excellent meeting, covering all aspects of the security/safety process. This included a pro-active approach to security/safety, consultation with parents/carers/pupils through a survey, reflecting on any school issues and planning for the future. Overwhelmingly, the results of both parent/carer and pupil surveys were extremely reassuring. A future Safer School meeting is planned for Spring 2023 and Mrs Little was presented with an updated 'Safer School' certificate. Congratulations!
