April 21st, May 19th, June 16th, July 21st, August 18th, September 15th

This is a free information, advice and support drop in. There are a wide range of services attending including Early help Family Worker, School Nurses, Financial Services, Housing Support, Domestic Abuse Service, Fire Service, Healthy Living Advice, Alzheimer's Society and Lingen Davies Cancer Trust

Please see below message and attached new menus on dojo which will be implemented after Easter.

As usual, it is a rolling 2 week system, starting with week one, week commencing 17th April.

When you log onto Squid to order your child's lunches, you will notice that the system has been set up slightly differently for the summer term. To try and keep costs down, we are now asking parents to choose a main AND a pudding on the system. When you click on the appropriate day you will see a meal deal option, please select one main and one pudding from the choices given.

PLEASE ENSURE YOU ARE BOOKING AT LEAST THE DAY BEFORE – CHANGES AND REQUESTS ON THE DOOR ARE BECOMING REALLY CHALLENGING TO ADMINISTER.

For those children with allergies / food intolerances, if you have any concerns, please check with the office who will liaise with the catering team with regards to ingredients.

This week, we have been looking at healthy eating in assemblies. Your child should have come home with a chart to encourage them to eat more vegetables over Easter. The link below is part of the "Eat Them To Defeat Them" initiative, which includes healthy recipes for the children to try at home. There are lots of great resources on the website which help to make eating vegetables more fun.

Enter our Coronation Competitions:

Artistic: Design a stamp for King Charles III

Creative: Create an entry for a time capsule under the theme "Life on Clee Hill in 2023" this could be a photograph, picture, poem, diary entry or any piece that is inspired by our local area. These entries will be buried in a time capsule so please either photocopy work or send pieces that you do not expect back and no bigger than an A3 piece of paper please.

Informative: Write a biography or an information text about King Charles III

Our Local Area Competition

On **Monday 15th May**, we will be starting a week looking at our local area of Clee Hill. We will be looking at how things have changed in the area and our local history.

We want you to spend some time over the holidays thinking about this. Can you find something on Clee Hill and produce something to do with it?

Some ideas could be:

- Find some wool from a sheep and find out more about the types of sheep kept on Clee Hill.
- Find some rock which would have been from the quarry and find out a bit about what has been quarried there.
 - Find out about the radar station. What happened there? What was it used for?
- Find out about some of the plants typically found in the local area.
 - You could spend some time walking and sitting on the common and either produce some sketching or write a poem inspired by the area.
- Find out what the village used to look like and produce a model to show this.
 - Another piece of writing / artwork on something to do with our local area.

Bring your finished piece to school during this week but it must be in by Thursday 18th May so they can be judged.

_____ Prizes for the winners in each class!
