Our Local Area Competition

On **Monday 15th May**, we will be starting a week looking at our local area of Clee Hill. We will be looking at how things have changed in the area and our local history.

We want you to spend some time over the holidays thinking about this. Can you find something on Clee Hill and produce something to do with it?

Some ideas could be:

- Find some wool from a sheep and find out more about the types of sheep kept on Clee Hill.
- Find some rock which would have been from the quarry and find out a bit about what has been quarried there.
 - Find out about the radar station. What happened there? What was it used for?
- Find out about some of the plants typically found in the local area.
 - You could spend some time walking and sitting on the common and either produce some sketching or write a poem inspired by the area.
- Find out what the village used to look like and produce a model to show this.
 - Another piece of writing / artwork on something to do with our local area.

Bring your finished piece to school during this week but it must be in by Thursday 18th May so they can be judged.

_____ Prizes for the winners in each class!
