We're using Arbor's free Parent Portal and Arbor App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

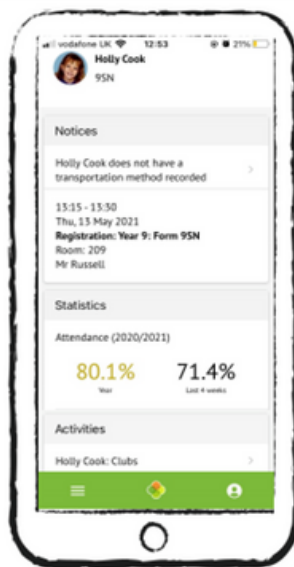

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.

This week you should receive an email from Arbor - which our new school MIS (data system). The email will ask you to create an account for September for your child. Over the summer holidays we will be working on importing all of the data into Arbor so that you can order meals, book trips, look at your child's attendance record, book parent's meetings etc through one login. There are going to be lots of teething problems - so please bear with us. Lacon Childe will be moving onto same system in Spring 2024 so eventually it will become much smoother for transition too. We will be sending out information in September to help parent book meals etc. In the short term, please follow the advice from the email to log on and create an account. Please let us know the issues you face (I'm sure there will be many) so that we can work on this over summer. The leaflet below should support parents with how to get started and the following youtube clip is also worth a few minutes to watch too.

Year 6 Leavers Poem

If it's your first time at a leaver's play
You'll not know our little tradition.
I like to say a special goodbye,
With a poetry rendition.

It's just my way of saying to Year 6
On the day - that they are going to leave
How proud we are of who they are,
And all they've managed to achieve.

Because as well as being hard working
And brave, and confident and daring,
They are also incredibly kind,
and thoughtful, and considerate and caring

Mr Marsh always tells me he's lucky,
To have started his teaching career
With such a wonderful class of children
Who are sitting in front of us here.

So, in my poem I'm going to name each child,
And share with you their dreams,
Their aspirations for the future
Their plans and their schemes.

Autumn- you love bats and are very creative
Your art is a real masterpiece,
You love reading - but your dream is
To work in the dog section of the police.

Jake - you are a great friend and kind to
others
So supportive and are one of the smartest,
But your true passion lies in drawing and,
Becoming a famous artist.

Phoebe - you want to own your own stud farm
As horses are your true dream,
Perhaps you could show-jump for England,
On the Olympics Equestrian team.

Zac - Motor cross is your real passion,
Travelling the world surrounding by fans
Like Jeffrey Herlings - your Number 1 hero
The World Championship Cup in your hands.

Arabella - you're so positive and full of
kindness
Caring for the environment is a big part
Of your plan for an upcycling business
Transforming rubbish into masterpiece art.

Immy - you have a real love of number,
An accountant is what you'd like to become
You are hard- working and enjoy a maths
challenge
Like a sudoku or a mathematical sum

Ben - You can run as fast as a cheetah,
But you want to be rich like Richard Branson
You plan to become an architect
And build your very own mansion!

Georgia - a performer who loves the stage,
Directors will all want to sign her
But with your artistic flare and good eye,
You want to be an interior designer.

Archie - a soldier is part of your destiny,
Becoming a paratrooper is your dream.
With your war-knowledge and comradeship
The British Army will want YOU on their team.

Catherine - you are an incredible artist
Full of kindness and in every way
A pleasure to teach and so thoughtful.
I hope you own art gallery one day!

Max - Grand Designs is your favourite program.
An architect is your dream career.
Designing Georgian houses with intricate
woodwork
To win Architect of the Year.

Lauren - you're hard working and give 100%
Creative and put in the hours.
Hairdressing or floral art is your dream.
Creating an artist sensation with flowers!

Connie - you are so funny and entertaining,
And such a pleasure to teach, but
You're the only person I know with
arachnophobia.
Who giggles as they screech.

Jack Pugh - you are a loyal friend to others,
Hard working - and not a slacker
If you'd like to start your own business
The Kitchen Staff will need a replacement
Chair- Stacker.

Jack Rae - You're keen to join the military,
Or study astrophysics and learn all about
Space.
But whatever you choose for the future,
I know that you're going to be ace!

The world out there is your oyster, and
It's your turn to take it from here
Secondary School are lucky to have you
But a few words before you disappear

Never forget that you are AMAZING
You are unique and such a big part
Of Clee Hill Community Academy
Where you will always have a place in our heart.
