An app has been brought to my attention which some families may be interested in. Too Good To Go is the app that lets you rescue unsold food from an untimely fate at your favourite spots. Use the app to explore shops and restaurants in your local area and save Surprise Bags of surplus food from going to waste at a great price.

GDPR

One of our computing apps which we use with the pupils for computing is called Purple Mash. Each child has a log in and a password for this. We need to make parents aware that their child's data is shared for educational purposes only. Our DPO (data protection officer) has agreed that this site is safe to share personal data with but we need to make parents aware. For more information, please visit the site below:

Sam and Joe handing over the money the school raised for the sensory inclusion service (enrichment opportunities) to support pupils with hearing difficulties in Shropshire.

Birthdays

If you are new to Clee Hill School, we have a school rule which allows children to come to school in their own clothes on their birthday. If their birthday falls on a weekend or in the holidays, they can simply choose the nearest day. Some families also bring a birthday book into school and donate it to the school library. We add a sticker saying who donated it and which birthday it was and it becomes a reminder of our favourite books over time (whilst also stocking up the library along the way!)

Please see attached link for vacancies within the trust. Including an advert for a post at CHCA.
