## Well done Year 6

Well done to year 6 on their amazing SAT results. Every single person tried their hardest in their tests and we are so proud of them all.

Just remember - there is so much more to your child than these numbers. We have seen sporting achievements, incredible artists, kindness and politeness and a whole host of other achievements this year - SAT results are only a tiny part of a child's holistic development. Myself, Mrs Yarnold, Mrs Godding and all the staff at Clee Hill could not have asked for any more effort!

## Bikeability

This Week, the Year 6 pupils had the opportunity to complete Level 1 and Level 2 Bikeability Training.

The Level 1 course was for new riders, learning to control and master their bikes in a space away from traffic usually a school playground.

The Level 2 course took place on local streets of Clew Hill, giving the pupils a real cycling experience. Pupils learnt how to deal with traffic on short journeys, such as cycling to school or the local shops.

The children really enjoyed spending time on their bikes and have learnt lots of safety cycling skills. For more details, visit [Cycle Training for Everyone - Deliver Safer Training | Bikeability](#)
