

# Xxx Xxx

## What people like and admire about me...

- I am good at Maths.
- I am nice to people.
- I play with children from all different year groups.
- I am good at playing Chess and Uno and Double.
- I am good at writing.

## What makes me happy

- Hugs from my Mum and Nan.
- Having fun with people and not leaving me out from work.
- Playing football with my friends and Grandad and Nan.
- When I do good work at school and I am not getting distracted.
- Talking to the teachers – like reading to Miss Xxx today we were talking about things and having fun.

## How I want to be supported

- For me to not get distracted in class - so the person sitting next to me is someone who doesn't distract me because then I can get on with my work.
- My fidget toy helps me to concentrate.
- My Spell checker helps me with my spelling – I have to make sure my guess is good or else it doesn't work.
