THANK YOU

A BIG thank you to Sid Durden and Tom Massey for constructing the bike rack over half term. This is now bolted to the ground and ready for the children to use to store bikes or scooters as the weather starts to get better. We will be having some special days next term where the children can use their bikes/ scooters during the school day but currently the bike rack is just for storage for pupils who have travelled to school with them.

This Easter, after over 20 years at Clee Hill Community Academy, Ruth Edwards will be leaving the school to spend time with her family. We would like to wish her much happiness for the future and thank her for all that she has done to support the pupils - both past and present.
