OPTIONAL PROJECT CLASS 4 & 5 Video our Local Area

As part of our collaborative project with (Legacy School in Bangalore/Four Stones Gateway Trust in England) we would like the children in Class 4 and 5 to take part in a short video exchange titled "My Routine After School."

The aim of this activity is to help children see both the differences and similarities in daily life across countries. By sharing these short videos, the children will gain a better understanding of how students in another part of the world live and spend their time after school. There are some great apps for them to add their videos to. In school we use iMovie but other apps are available too.

We kindly ask that you help your child record a short video showing parts of their routine on the way home and after arriving home. The video may include:

- The walk home from school, including the environment (traffic, weather, streets, local landmarks, parks, or community areas).
- What the outside of your home looks like.
- What your child changes into after school (home clothes).
- What they are having for tea/dinner.
- Any chores or ways they help around the house.
- Any activities they may take part in after school

Please check through the video to ensure that you are happy with the content, then email the video file to admin@chccademy.co.uk on completion.

Thank you for supporting this project. We look forward to sharing the videos with our partner school so the children can learn more about each other's lives.

Hi everyone!

As many of you know, the PTA has had a bit of a shuffle. We want to say a massive thank you to Robyn, Chloe, and Sharn for their years of hard work and amazing fundraising—you've left big shoes to fill! Taking the lead now are Jo Hiron, Gill Sloan, and Lydia Erskine.

We've hit the ground running this term and the support has been incredible. So far, we've raised £200 from the Bake Off, £800 at the Quiz Night, and £100 from today's Mother's Day posies! We know it's been a busy start, but we have two more treats before we give you a well-earned break:

Film Night (Next Thursday): The School Council chose Wonka! Note the time change: Kids can stay straight through until 5:15 pm. Plus, everyone can wear comfy clothes to school that day!

Final Bake Off (23rd): Our guest judges from Clee Hill Forum will be picking the winners. We can't wait to see your tasty treats!

The Big Goal: We are full steam ahead to raise £10,000 for the first phase of our new Adventure Playground. If you own or work for a company that offers sponsorship, please get in touch! As a registered charity, donations can be processed through company accounts.

Join the Team: We are always on the lookout for extra volunteers to help at our events, and we'd love to hear your new ideas. If you can spare some time or have a suggestion to share, please come forward and chat with one of us!

Thanks for everything,
Jo, Gill & Lydia
