MENINGITIS + SEPTICAEMIA

Meningitis now

Meningitis is a serious condition where the protective layers around the brain and spinal cord become inflamed. Septicaemia is when the bacteria enter the bloodstream to cause blood poisoning. They can happen to anyone, so it's important to know the symptoms and risks.

Early symptoms, such as fever, vomiting, aches, muscle pain, cold hands and feet and headaches, can look similar to common illnesses like colds or flu. But someone with meningitis or septicaemia will usually become seriously ill in a matter of hours. That's why it's crucial to keep checking on anyone who is unwell.

MENINGITIS SYMPTOMS?

- fever
- a very bad headache (this alone is not a reason to get medical help)
- vomiting
- stiff neck
- dislike of bright lights
- rash (DO NOT wait for a rash to appear before seeking medical advice)
- confusion, delirium
- severe sleepiness, losing consciousness
- fits

SEPTICAEMIA SYMPTOMS?

- fever and shivering
- severe pains and aches in limbs and joints
- vomiting
- very cold hands and feet
- pale or blotchy skin
- rapid breathing
- diarrhoea and stomach cramps
- red or purple 'bruised' or blotchy rash on skin that does not fade under pressure - do the glass test. On dark skin, check paler areas of the skin, such as the palms of the hands, soles of the feet, inside the mouth (roof), and the eyelids
- difficulty walking or standing
- severe sleepiness, losing consciousness

If you become worried about yourself, your child, or a friend, particularly if symptoms are getting worse, seek medical help urgently.

EARLY TREATMENT CAN BE LIFE-SAVING.

Your child's school report has now been sent out to you on Arbor. If you have not received it, or if you would prefer a paper copy, please contact the school office and we will be happy to assist.

As part of our ongoing commitment to ensuring pupils are appropriately dressed for physical activity, we would like to remind everyone that children should wear suitable PE shorts, such as football-style shorts, for their PE lessons. Recently, we have noticed some pupils arriving in very short or fashion-style shorts, which are not appropriate for PE. These items do not provide the comfort, coverage or flexibility needed for safe participation in physical activity.

Do you recognise any of these book jars from previous World Book Day?
Please come and collect from reception.

School holidays incoming!

With the end of the school term almost here, we have been researching what's on across the county this Easter. Our Family Info Directory is full of activities, events and fun things to do. Follow the link below to find out what is happening in your area.

[Things to do this Easter Holidays](#)

We've also put together information on Easter egg hunts around Shropshire – because who doesn't like hunting for eggs! Our egg hunt list is here - [Easter egg hunts](#)

Holiday clubs and childcare

If you are looking for holiday clubs or childcare for Easter, check out our list of local providers in our Family Information Directory. From arts and crafts, to animals, to football, there is something for everyone! Click to [Find a Holiday Club](#)

Holiday activities and food

Shropshire Holiday Activities and Food (HAF) programme is still open for bookings.

Your child aged 4 (reception class age) to 16 can get a FREE place:

- If you get benefits-related free school meals, or
- Have been referred by a professional

A number of holiday clubs are able to offer places to children with special educational needs or disabilities (SEND).

Some holiday clubs also offer additional paid places, that are available to those not eligible for HAF, so it's worth taking a look if you need childcare or activities to keep your children busy during the holidays. Find out more about HAF on this link [HAF holiday clubs](#)
