All Behaviour is Communication, supporting schools to better understand the emotional needs that sit beneath children's actions. Shropshire Virtual School will deliver an Introduction to Emotion Coaching—a practical, evidence based approach that helps children to understand the emotions they experience, why they occur, and how to manage them.

This session is open to all Shropshire schools and is intended as a taster session for those who are new to nurture informed approaches or considering future involvement in the Shropshire

Nurture Network.

Please note that future network meetings will be aimed at schools who have completed Nurture UK training with Shropshire Virtual School or are currently on our Nurture UK training waiting list.

This event is a fantastic opportunity to:

- Connect with colleagues from across Shropshire
- Share practice and experiences
- Learn from schools at different stages of their Nurture journey
