Art Club: A Year of Creativity and Colour

This year, our Year 6 Art Club has been a hive of creativity, imagination and enthusiasm. Week after week, pupils have arrived ready to explore new techniques, experiment with materials and express their ideas through art. The results have been nothing short of incredible.

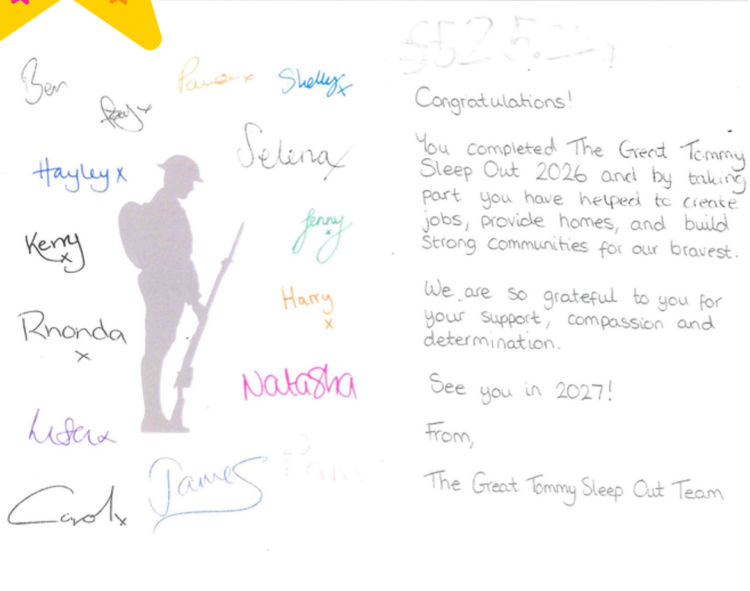

Throughout the year, the children have produced a wide range of artworks, showing not only their artistic skill but also their patience, teamwork and problem-solving abilities. One of the standout projects has been the beautiful mosaic bowls. Pupils carefully planned their designs, selected colours, cut tiles and pieced everything together with great care. The finished bowls are vibrant, detailed and truly unique – a real source of pride for everyone involved.

Art Club has also been a space where pupils have grown in confidence. Many children have been brave enough to try unfamiliar techniques, learn from mistakes and support one another along the way. It has been wonderful to see them take creative risks and celebrate each other's successes.

We are incredibly proud of the commitment and creativity shown by our Year 6 artists this year. Their work reflects not only their talent but also the hard work they have put into every session. Well done to all members of Art Club – you have left us with a fantastic collection of artwork and a colourful legacy to remember.

A huge well done to Dexter and Rupert, who braved a night outdoors in support of The Great Tommy Sleep Out. Their dedication has paid off, with an incredible £525 raised so far—an outstanding achievement!

As part of our ongoing commitment to ensuring pupils are appropriately dressed for physical activity, we would like to remind everyone that children should wear suitable PE shorts, such as football style shorts, for their PE lessons. Recently, we have noticed some pupils arriving in very short or fashion style shorts, which are not appropriate for PE. These items do not provide the comfort, coverage or flexibility needed for safe participation in physical activity.

Special Educational Needs

Parents and carers are invited to join the SEND team on **Monday 18th May 1.00-3.00 pm** in school.

This is an informal relaxed chat with coffee and cake and a chance to meet other families and help us put together our school SEND information to send to parents.

There will also be a member of staff from Lacon Childe joining us.
