Thank you, everyone.

THANK YOU!

A massive thank you to Sid Durden who has had a book swap box made and has installed this for the top of our path. If anyone would like to add any books they have finished with for others to enjoy, please start adding them!

We were so lucky to have Ludlow Golf Club Roadshow in school this week. Malcom Weaver, who organised the event said "What an absolute delight it was to spend time with your amazing pupils. Dan (Gold pro) and I really enjoyed the sessions and the children were so enthusiastic and fully engaged. Having spent 40 years as a teacher I found it incredibly satisfying to witness all that is good about our education system being fully displayed in an afternoon at Clee Hill Primary. Fantastic staff, fully engaged pupils who were polite, confident and attentive..... and skilful". Attached is a poster to inform parents of their Junior Coaching sessions on a Saturday at 5pm and our Colt membership. The booking details are on the bottom of the poster. No payment is required on the initial taster session and parents can use the clubhouse facilities for a relaxing drink.

As part of our ongoing commitment to ensuring pupils are appropriately dressed for physical activity, we would like to remind everyone that children should wear suitable PE shorts, such as football style shorts, for their PE lessons. Recently, we have noticed some pupils arriving in very short or fashion style shorts, which are not appropriate for PE. These items do not provide the comfort, coverage or flexibility needed for safe participation in physical activity.

THANK YOU!

Thank you to everyone who came to our reading cafe. We hoped you enjoyed the books and cake.

The reason we had so many books to give away was that we were donated lots of new books from Shropshire Schools Library service as it has closed down.

We have revamped and refreshed our library and I am sure you will agree it looks better! The library will be open again in September.

Water Safety

The children have been exploring water safety this week through their assemblies as well as follow up work within classes. Thank you very much to Laura from Teme Leisure who came to talk to classes 1, 2 and 3 about staying safe around water and what to do if they ever get into difficulty in water. The children showed a good understanding of how to follow the "float to live" technique by floating on their backs and shouting for help.

If anybody is keen to start swimming lessons outside of school, please contact Teme Leisure Ludlow 01584 874620 nicky.stewardson@teme-leisure.co.uk or Halo Tenbury Pool on 01584 810448 [Child Swimming Lessons England - Swimming Lessons - Halo Leisure](#)

Keeping safe around water

Keeping safe around water

Warmer weather and the summer months can mean many people take to the water to cool down. Teenagers and young adults often take risks around rivers, lakes, canals, reservoirs, quarries and other inland and coastal waters, especially in groups. Most teenagers - especially males - don't fully recognise the risks they're taking.

The Royal Lifesaving Society has produced a toolkit called 'Have the conversation' which includes simple conversation prompts that help teenagers understand the real risks of open water and make safer choices when hanging out with friends near rivers, lakes, beaches, and other bodies of open water. You can download it here - [Water Safety for Teenagers](#)

Here's some key advice for staying safe around water

- Educate young people around the risks of open water.
- Be aware of cold water shock, walking into the water rather than jumping in can help reduce the risk.
- Always supervise children closely around water.
- Never swim alone, especially in open water.
- Even shallow water can be dangerous and people can get into difficulty.
- Only swim in designated areas.
- If you see someone in trouble, don't enter the water yourself and follow
 - Phone - call 999.
 - Throw - throw them something that floats to support them.
 - Float - tell them to lie on their back and gently move their hands to help them float.
- What3Words can help to provide the exact location when reporting an incident.

Understanding Your Child - a group for dads, granddads and any male carer

Parenting can be challenging, whatever age your child is. This group offers practical ideas, straight talking support, and a chance to hear what has helped other parents in real life.

Join Peter and Tracy from the Parenting Team and other parents and carers, to explore what's happening for your child, understand tricky behaviour, and pick up simple strategies to make family life feel calmer and more manageable.

What we'll talk about:-

- Communicating and building connection with your child
- Routines like sleep and bedtime and any other routines you have as a family
- Understanding behaviour and big emotions
- Child development and how you can support it

Starts Tuesday 22nd September 2026, 5.00pm to 7.00pm in Shrewsbury – venue to be confirmed

The group meets once a week over 10 weeks, excl. half term with the last session being on Tuesday 1st December 2026.
