BACK TO SCHOOL

If your child has asthma, remember to schedule their yearly review before school restarts.

Every September, we see a rise in asthma attacks. Asthma reviews can check lung health and support children to keep their asthma under control.

Get ahead of asthma - book a review with your GP practice.

1

Make sure your child has an ASTHMA ACTION PLAN

Children with an asthma action plan are four times less likely to have to go to hospital for their asthma.

2

Make sure you know HOW TO USE AN INHALER

Getting the inhaler technique right with a spacer or facemask is one of the most important things you can do to help your child stay well.

3

ATTEND YOUR CHILD'S ASTHMA REVIEW

Scheduling an asthma review once a year (and after every attack) can help children and young people manage their symptoms.

4

CONSIDER AIR POLLUTION AND ITS IMPACT

Air pollution can trigger asthma, but knowing the triggers can help children and young people to manage their condition.

Things to do - School Summer Holidays

Summer is here!

With the end of the school term fast approaching, we have been researching what's on across the county this summer. Our Family Info Directory is full of events and fun things to do, including lots of free activities. Follow the link below to find out what is happening in your area.

**Please note Lacon
Childe are not running
their summer holiday
club this year.**

Holiday Activities and Food Programme

The Shropshire Holiday Activities and Food (HAF) programme is now open for bookings.

Your child aged 4 (reception class age) to 16 can get a FREE place:

- If you get benefits-related free school meals, or
- Have been referred by a professional

A number of holiday clubs are able to offer places to children with special educational needs or disabilities (SEND).

Some holiday clubs also offer additional paid places, that are available to those not eligible for HAF, so it's worth taking a look if you need childcare or activities to keep your children busy during the holidays. [HAF holiday clubs | Shropshire Council](#)

Holiday Clubs

The summer holidays go on for 3.5 years (rough guesstimate). If you are looking for holiday clubs to break things up, or childcare, check out our list of local providers in our Family Information Directory. From arts and crafts, animals, STEM clubs or football, there is something for everyone!

Free Sleep Tight Groups

"It's been eye opening to see how many different things can affect children's sleep. I have learnt so much and now have new ideas to try out."

"I feel more confident in bedtime routines, and less alone in the fact my child struggles with sleep"

Join our friendly, relaxed group!

We all know how important a good night's sleep is for your child's growth and development. When children sleep well, it helps them do better at school, react more quickly, build stronger memories, and learn and solve problems more effectively. It can also help them stay healthier, feel less irritable, and manage their behaviour more positively.

There are many different factors that can affect your child's sleep, and it can sometimes feel hard to know where to start. Join us to learn more, share experiences, and pick up helpful tips to support your child in getting the rest they need.

Upcoming Sessions (once a week over 5 weeks, excl. half terms and bank holidays)

24th September 2026

Sleep Tight Group
from 9.30 to 11.30am
